REFRAIN

**Do the poo now
When you gotta go you gotta
Poo now
Do it just for show
Don't hold back just call him Jack
And let him out, he's got no reason staying
That is what it's all about
It's party poo now
Sing now all day long
The poo-poo song now
There is nothing wrong
See you steal the show with your windy blow
And then your poo has gone**

It started with a noisy
A breathy from behind
It made me really giggle
And it was so kind

So I asked for another
And there was number two
I want to do it all day long
And sing the song of poo

REFRAIN

You think it is a problem
It's getting out of hand
He's looking for a way out
Say goodbye my friend

We had some time together
But now it's cheerio
Don't think that I will miss you
It is go poo go

REFRAIN

Poopy and Tootie
